

Social Media Guidelines

For Market Leadership

Congratulations! You're now a special part of the Women Grow Community. Please follow the instructions below to gain access to the local Women Grow Facebook Group.

- Please email linsey@refinedbud.com with your name, email associated with facebook, and your market location.
- Linsey will either add you to the current page or create a brand new Facebook Group for your market. She will email you once you've been added as an admin.
- Read this helpful website on how to create and foster community in your Facebook Group.
- Bonus, read this brilliant piece from Neil Patel on creating effective community in a Facebook Group.
- Invite friends and colleagues to your Women Grow Facebook Group.
- Regularly post and engage in your Facebook Group - we'd recommend checking it at least once a day.
- Need Women Grow logos? Visit this site specially created for Market Leaders.
